## ambro: macerated & orange

-An ancient technique for producing wine dating back to 3000 BC, white grapes are left in contact with their skins for an extended period of time resulting in a fuller, more tannic, & pleasantly unusual wine with an amber hue. While this wine, modernly known as 'orange wine', took on great popularity in the Friuli region of Italy where producers such as Josko Gravner and Radikon embraced the historic style, it has now spread throughout the world's wine producing regions.

**Catarratto**, Il Censo, Praruar Terre Siciliane Bianco, Sicilia 2016 13 6.5 17 45 **N**

-Legendary Giampiero Bea collaborated with the Gargano family to produce this outstanding natural wine. Aromas and flavors of baked apricot, orange peel, herbal and salty notes, some nuttiness and refreshing acidity.

**Albanello/Zibibbo**, Occhipinti 'SP68 Bianco', Sicilia 2018 45 **N/W\***

-From the talented young natural wine maker Arianna Occhipinti, this golden wine is intensely aromatic and complex with a mix of wild flower, macerated peach, & aromatic herbs. Mineral driven palate, noteworthy tannins and savory flavors of dried apricot, preserved citrus and sage.

**Trebbiano/Malvasia/Verdicchio**, Monastero Suore Cistercensi 'Coenobium Bianco', Lazio 2017 50 **N/W\***

-This organic vineyard north of Rome is lovingly tended by a small group of Cistercian nuns. With the assistance of noted 'natural' winemaker Giampiero Bea, they produce this unique wine. The Bianco is complex with an oxidative quality that blankets layers of minerals, nuttiness and acidity & a dry palate with flavors of apple pie, toasted pecans, honey, and citrus.

**Zibibbo**, Cantine Barbera 'Ammàno', Sicilia 2015 60 **N/W\***

-Intense bouquet of orange blossoms plays with apricot notes and all savory spectrum of the Mediterranean shrub: thyme, marjoram, oregano and a hint of incense. Dry and full on the palate with a saline finish.

**Grecanico Dorato**, COS 'Pithos Bianco', Sicilia 2014/2015 60 **N\***

-Mineral-laden, fresh, and layered, this wine explodes with juicy orchard & citrus fruits, complemented by exotic saffron, green tea, wildflowers, & fresh cut herbs. This mono-varietal Grecanico ferments with natural yeasts and ages in amphorae for about 7 months before bottling, resulting in a complex, nutty, powerful wine that is food friendly & fascinating.

**Chenin Blanc**, Nicolas Joly, Les Vieux Clos, Savennières, Loire 2013 75 **N\***

-From the legendary pioneer of the biodynamic wine movement, this unconventional wine is deep golden with nutty aromas, a peppery minerality & flavors of baked apple & spice. A bright acidity balances the rich texture. Decant this wine.

**Umbria Bianco**, Paolo Bea 'Santa Chiara', Umbria 2015 (Grechetto/Malvasia/Chardonnay/Sauvignon/Garganega) 75 **N\***

-Rainier cherries, white stone fruits, and melon waft with savory minerals, toffee, licorice and white flower petals in this indescribable, opulent and spicy orange wine from Giampiero Bea, the master himself.

**Trebbiano Spoletino**, Paolo Bea 'Arboreus', Umbria 2010 85 **N\***

-This wine is weighty, lush, complex, full-bodied and utterly delicious. Ripe golden apricots, dried orange peel, a touch of honey & exotic spices, a sprinkling of dried flowers and a dash of warm baking spices.

**Trebbiano Spoletino**, Paolo Bea 'Lapideus', Umbria 2016 100 **N\***

-Arising from a cooler microclimate than the 'Arboreus', 'Lapideus' spent 35 days on its skins, followed by 210 days on the gross lees. Edgy and lively, exhibiting exotic and savory nuance, notes of apricots, cloves, and candied ginger.

**Ribolla Gialla**, Gravner, Friuli-Venezia Giulia 2007 130 **N\***

-From Josko Gravner, the visionary maverick "King of Friulian Wines", this wine is probably on every wine geek's bucket list. The grapes are fermented in Georgian amphorae buried underground for long maceration with wild yeasts and no temperature control. After fermentation the wine rests in amphorae for five more months and then it is aged in large oak barrels for an additional six years and bottled without fining or filtering. Delivers dried apricot, orange zest, salinity, anise, dried herbs, nuts, and a blast of smoky minerality. Complex and tannic.
